Proposed Policies

Introduction

Pack 413 is a Family Scouting Unit of the Old Hickory Council, Scouting America, and is sponsored by King Moravian Church, located at 234 West Dalton Road, King NC, 27021.

Our Pack number "413" alludes to the passage of scripture found in Philippians 4:13 – "I can do all things through Christ who strengthens me". The number 13 also has significance in Moravian Church history: the first Moravian Lovefeast, held on August 13, 1727, and the November 13 commemoration of the Chief Elder Festival, dating back to 1741. Each of these dates are commemorated annually with a Lovefeast or Communion service in Moravian Churches.

The following policies are approved by the Pack Committee and with the oversight of the King Moravian Church Joint Boards. They are intended to guide Pack operations, with a goal of setting clear policies for members, leaders, and families to follow in the structure, administration, and programming of Scouting America Pack 413. While our Pack welcomes all families regardless of faith or creed, these policies are set (and at times amended) under the long-held Moravian guiding principle: "In essentials unity, in non-essentials liberty, in all things love."

Committee Operating Structure

The Committee shall maintain a structured operating style to ensure clear accountability, transparency, and efficient management of all Pack activities and resources.

- **Quorum:** Quorum, necessary to commence or conduct business, requires a simple majority (more than fifty percent) of all active, eligible Committee members to be present.
- **Voting Standard:** All motions, decisions, and approvals are determined by a simple majority vote of the members present, provided that quorum is met.
- **Key Approvals:** Approval of all meeting minutes, financial expenditures, dispute resolutions, and policy decisions shall be secured by a simple majority vote of members present after quorum has been established.

Camping Requirements

Cub Scouts is a family-centric program. In line with the Scouting America "Guide for Safe Scouting", Pack 413 requires all Scouts to be accompanied by a parent or legal guardian. Exceptions to this policy may be granted on a case-by-case basis only by an approved motion at the Pack Committee.

Leadership

The adult leaders of Pack 413 are expected to live up to Scout Oath and Scout Law and demonstrate these principles to the Scouts, leaders, and parents of Pack 413 with their actions. Leaders should always be approachable, encouraging, and constructive. As stated on the Scouting America Adult Application, "All adult leaders agree to comply with the Scouter Code of Conduct" (linked here:

<https://www.scouting.org/health-and-safety/guidelines-policies>). Concerns about a leader's conduct should be resolved by bringing them to the Pack Committee.

Program Leadership Role Definitions

Pack 413 has these Program Leadership roles:

Cubmaster: Provides overall leadership and direction for the Pack's youth program. This individual is the Master of Ceremonies for Scout-facing meetings (Den meetings, Pack meetings) and serves as the primary coach and resource for Den Leaders. The Cubmaster serves at the pleasure of the Pack Committee.

Assistant Cubmaster: Supports the Cubmaster in all duties, ensuring continuity and coverage for Scout-facing meetings and activities. Fills the role of the Cubmaster in their absence. The Assistant Cubmaster serves at the pleasure of the Pack Committee.

Den Leaders (Multiple, Based on Need): Conducts regular Den meetings for one or more specific ranks/ages of Scouts. Responsible for planning, preparing, and executing the Cub Scout adventures necessary for rank advancement. Den Leaders serve at the pleasure of the Pack Committee.

Program Leadership Term Limits

The Committee establishes term limits for key Program Leadership roles to ensure the sustainable rotation of volunteers and leadership continuity. A Program Year is defined as July 1 through June 30.

Cubmaster: The expected service commitment for the Cubmaster role is a one program year term, having served as the Assistant Cubmaster for the prior year or having equivalent prior experience. Cubmasters are welcome to serve for additional one program year terms as desired, with agreement by the Pack Committee.

Assistant Cubmaster: The expected service commitment for the Assistant Cubmaster role is a single one-year term, immediately preceding service as Cubmaster. This role is intended as a apprenticeship for the subsequent Cubmaster term.

Den Leaders: Den Leaders are expected to serve for the full duration of a given program year. Den Leaders shall confirm their commitment annually.

Succession Planning: The Committee Chairperson and the current Cubmaster shall actively identify, recruit, and mentor the incoming Assistant Cubmaster one year in advance of the Cubmaster transition.

Committee Chair Term Limits

The Committee establishes specific terms for adult volunteer roles to ensure stability and routine leadership refreshment. A Program Year is defined as July 1 through June 30.

Committee Chairperson: The Chair is appointed to a one program year term and serves at the pleasure of the Chartering Organization. The Chair may be considered for additional one-year terms upon a motion and simple majority vote of the Committee, pending final approval from the Chartering Organization.

General Committee Roles (e.g., Treasurer, Secretary, Advancement Chair): All general Committee members volunteering for these roles are expected to commit to a one program year term. Members are

encouraged to serve continuous terms, renewing their commitment annually with the Pack Committee at the start of each Program Year.

Active Committee Members

Official Committee meeting minutes, agendas, and sensitive business documents shall be distributed exclusively to Active Committee Members to ensure focused communication and appropriate handling of committee business.
