Introduction

Pack 413 is a Family Scouting Unit of the Old Hickory Council, Scouting America, and is sponsored by King Moravian Church, located at 234 West Dalton Road, King NC, 27021.

Our Pack number “413” alludes to the passage of scripture found in Philippians 4:13 – “I can do all things through Christ who strengthens me”. The number 13 also has significance in Moravian Church history: the first Moravian Lovefeast, held on August 13, 1727, and the November 13 commemoration of the Chief Elder Festival, dating back to 1741. Each of these dates are commemorated annually with a Lovefeast or Communion service in Moravian Churches.

The following policies are approved by the Pack Committee and with the oversight of the King Moravian Church Joint Boards. They are intended to guide Pack operations, with a goal of setting clear policies for members, leaders, and families to follow in the structure, administration, and programming of Scouting America Pack 413. While our Pack welcomes all families regardless of faith or creed, these policies are set (and at times amended) under the long-held Moravian guiding principle: “In essentials unity, in non-essentials liberty, in all things love.”

Members of the Committee

A Pack Committee Member is defined as any adult volunteer who is officially registered with Scouting America in the role of Pack Committee Member and is current on all required training (including position-specific training and Safeguarding Youth policies). All registered Committee Members are invited to attend and provide input during Committee meetings.

Active Committee Members

Official Committee meeting minutes, agendas, and sensitive business documents shall be distributed exclusively to Active Committee Members to ensure focused communication and appropriate handling of committee business.

An individual is considered an Active Committee Member if they meet one of the following criteria:

- They currently hold a named, designated Pack Committee officer role (e.g., Committee Chair, Treasurer, Secretary, Advancement Chair).
 - They were recorded as present during the meeting for which the documents are being distributed.
 - They have attended two out of the last four of the Committee's regularly scheduled meetings, demonstrating sustained engagement.
-

Committee Operating Structure

The Committee shall maintain a structured operating style to ensure clear accountability, transparency, and efficient management of all Pack activities and resources.

- **Quorum:** Quorum, necessary to commence or conduct business, requires a simple majority (more than fifty percent) of all active, eligible Committee members to be present.
 - **Voting Standard:** All motions, decisions, and approvals are determined by a simple majority vote of the members present, provided that quorum is met.
 - **Key Approvals:** Approval of all meeting minutes, financial expenditures, dispute resolutions, and policy decisions shall be secured by a simple majority vote of members present after quorum has been established.
-

Committee Term Limits

The Committee establishes specific terms for adult volunteer roles to ensure stability and routine leadership refreshment. A Program Year is defined as July 1 through June 30.

- **Committee Chairperson:** The Chair is appointed to a one program year term and serves at the pleasure of the Chartering Organization. The Chair may be considered for additional one-year terms upon a motion and simple majority vote of the Committee, pending final approval from the Chartering Organization.
 - **General Committee Roles (e.g., Treasurer, Secretary, Advancement Chair):** All general Committee members volunteering for these roles are expected to commit to a one program year term. Members are encouraged to serve continuous terms, renewing their commitment annually with the Pack Committee at the start of each Program Year.

Leadership Expectations

The adult leaders of Pack 413 are expected to be role models by living the principles of the Scout Oath and Scout Law, and demonstrating these values through their actions toward Scouts, fellow leaders, and parents. Leaders must always strive to be

approachable, encouraging, positive, and constructive in their interactions.

Commitment to Conduct and Accountability

All adult leaders agree to comply with the Scouter Code of Conduct (linked here: <https://www.scouting.org/health-and-safety/guidelines-policies>), as stated on the Scouting America Adult Application. Leaders are accountable for their conduct and for modeling appropriate behavior in all Pack activities.

Reporting Concerns

Concerns about a leader's conduct should first be resolved by bringing those concerns to the Pack Committee. Serious concerns regarding Safeguarding Youth violations must be reported immediately to the appropriate authorities and the Scouting America contact.

Final Authority

The chartering organization, King Moravian Church, holds the final authority for the Pack. The chartering organization must officially approve all adult leader applications and registrations before the individual may begin serving in a leadership capacity.
