4 REPORTS

4.1 Treasurer's Report

Ben Schell read the Treasurer's Report that was prepared by Brittany Schell. It was as follows:

Brittany is working with the church's finance person to get online access to the Pack bank account. They believe they can give her restricted access to that account only. If this works, she will go with Chris and Dakota to set up the Troop bank account later this week. If this does not work, the church will help us set up an account for the Troop at another bank.

For now, money received by the Troop for summer camp deposits will be deposited into the Pack bank account with close record keeping to track it. Although we only expect this to be an issue for two more weeks max before an account is opened for the Troop one way or another.

5 OLD BUSINESS

5.1 Proposed Policies and Procedures

Ben Schell led a discussion about the Policies and Procedures that he had created using the framework of 400G and Pack 413's policies. The committee worked through each section, approving them or tabling them for further discussion.

5.1.1 Introduction

The Introduction was approved by consensus.

5.1.2 Members of the Committee

The committee discussed the distinction between registered committee members and program leadership. Jason Paris raised the concern that National could change training requirements without notice, citing Hazardous Weather training, which was required for all program leadership last year. A grace period of “within 60 days of expiration or assignment” was proposed.

The section was tabled until next meeting.

5.1.3 Active Committee Members

Tabled until the “Members of the Committee” section could be approved.

5.1.4 Committee Term

It was proposed that the language concerning a “program year” be removed.

5.1.5 Money Handling

Section 1 to be updated to read as:

The Troop 413 bank account shall have a minimum of three (3) and a maximum of four (4) authorized active registered adult signers at all times. Changes to authorized signers require approval by the Troop Committee and must be promptly updated with the financial institution. No two members for the same household may be authorized signers.

Section 5, point 2 to read as:

All accounts shall be reconciled in a timely manner by the Treasurer.

With the aforementioned edits, all Money Handling policies were approved by consensus.

5.1.6 Review

Due to time constraints, committee members were asked to review the remaining proposed policies at home and note any concerns. Outstanding issues will be discussed at the April committee meeting.

Action Item: All committee members to review the policies and procedures and bring any corrections or concerns to the next meeting.

5.2 Fund Raising

5.2.1 Meal Fundraiser for Equipment

Jeff Dixon proposed hosting a meal at the church as a fundraiser, presenting an opportunity to raise funds while introducing the Scouts to King Moravian Church. After a brief discussion, the committee agreed to move forward and set a date.

Action Item: Ben Schell to contact King Moravian Church to determine available dates for a Pancake Breakfast.

5.2.2 Camp Cards

The committee discussed camp card distribution. It was unanimously agreed that no cards would be handed out without payment. Scouts will be given a pre-sales form.

Storefront Sales

Action Item: Bev Spainhour to provide a list of proposed Storefront sales to the committee at the April meeting.

Revenue Distribution

The committee discussed allocation of the \$5 net profit from each camp card sale. With the unit currently having no assets, the following motion was made and approved:
