To be added to the “Money Handling” policy section

7. Electronic and Card-Based Payments

To offer families a convenient way to pay for summer camp, event registrations, dues, and other Scouting costs owed on behalf of their Scout, the Troop may accept payments through a card-based electronic payment platform (e.g., Square) in addition to cash and check.

- **Family obligation payments.** A flat convenience fee of five percent (5%) shall be added to card-based *family obligation payments* — payments a Scout or family makes to the Troop to cover their own Scouting costs (e.g., camp fees, event and activity registrations, trip costs, and dues) — to offset the payment processor’s fees and the associated card-handling costs.
 - **Fundraising sales are excluded.** This fee does **not** apply to fundraising sales to the public or supporters (e.g., camp cards, popcorn, meal fundraisers). Pricing for those is set as part of each fundraiser and is not subject to the convenience fee.
 - Cash and check payments are not subject to this fee.
 - The fee shall be clearly disclosed to the payer at the time of the transaction.
 - All electronic payments are subject to the same deposit, record-keeping, and reconciliation standards described in the Troop policy document.
-
