

Pack 413 Committee Meeting 7-29-26
KMC Fellowship Hall 6-7:00

In attendance: Ben Schrell, Brittany Schrell, Zollie Smith, Renee Smith, Sarah Marshall, Dale Marshall, Zach Dease, Rachel Smith, Cooper Smith

Next Committee Meeting August 26, 2026, 6-7:00 in the fellowship hall at KMC

Immediate action items:

Meeting minutes from 6/17 were approved as submitted.

Near-term business

- Opening night 8/13: one of the goals for the coming year is to get more parent/family participation. It was discussed that forms should be handed out to parents opening night. Rachel suggested a packet for programming, given out the first night. Packet would include Visitor Waivers good for 2 visits, photo release forms, family talent survey and outdoor release forms. Zach suggested adding a primary care contact form to the list. Cooper suggested that the parents step out after the welcome/greetings so the kids can work on programming and the adults can go over the forms. It was suggested that the parents have name tags that include their child's name.
Ben suggested having a separate parent night, tentatively set for Sept. 24. This time will be informational and could be used for recruitment of parents.
- Supplies: Rachel and Sarah cleaned out the supply closet and Sarah came up with a handout of suggested items needed. There was a motion to approve \$200 for needed starter supplies and organizational items and Sarah agreed to be in charge of gathering those.
- Fundraiser: popcorn fundraiser is through Trailend this year. Rachel advised that the kickoff starts soon. There are only 8 items this year, and all orders will be paperless. Storefront sales dates TBD. Rachel will advise when and where.
- Recruitment: Zollie/Cooper/Dale agreed to be in charge of recruitment. Chris Lawson is to provide dates and school locations. Zollie is working on marketing wording for flyers. It was suggested we have a dinner meeting to debrief about recruiting. Zollie suggested we need a unit flag for recruiting.
- Suggestions for the upcoming year: 1. It was suggested that several "fun things" such as making/flying kites and hiking should be undertaken within the first 45 days to get the kids excited. 2. It was suggested that we have the arrow of light ceremony earlier in the year. 3. It was requested that there be more communication to the committee regarding what the pack is doing in their programming via pack email or regular news letter.
- Ben included a list of important established dates. Among those were the Fall Camporee 10/23-25, and the 1Q Pack Meeting 10/8, 2Q Pack Meeting and Holiday Party 12/17. Den meetings will continue to be Thursday evenings.
