Liquid Funds	\$429.29
Total	\$1,468.31

4.1.1 Pancake Fundraiser Results

The Pancake Fundraiser brought in a gross income of \$408. Total cost after returning excess supplies was \$199.01. The net profit was \$208.01.

5 OLD BUSINESS ---

5.1 Electronic and Card-Based Payments Policy

Ben Schell proposed a new policy covering electronic and card-based payments. After a discussion, the following policy was presented with minor adjustments:

Electronic and Card-Based Payments

To offer families a convenient way to pay for summer camp, event registrations, dues, and other Scouting costs owed on behalf of their Scout, the Troop may accept payments through a card-based electronic payment platform (e.g., Square) in addition to cash and check.

- A flat convenience fee of five percent (5%) shall be added to card-based payments to offset the payment processor's fees and the associated card-handling costs.

- Fundraising sales to the public are excluded. This fee does **not** apply to fundraising sales to the public or supporters (e.g., camp cards, popcorn, meal fundraisers). Pricing for those is set as part of each fundraiser and is not subject to the convenience fee.
- Cash and check payments are not subject to this fee.
- The fee shall be clearly disclosed to the payer at the time of the transaction.
- All electronic payments are subject to the same deposit, record-keeping, and reconciliation standards described in the Troop policy document.

Motion

To approve the Electronic and Card-Based Payments Policy as presented with amendments.

Made by: Jason Paris **Seconded:** Duane Spainhour

Result: Approved

Action Item: Ben Schell to update the policy document to include the Electronic and Card-Based Payments Policy.

6 NEW BUSINESS

6.1 Summer Camp

6.1.1 Health Forms & Medication

Dakota Paris reported on issues that arose at summer camp related to health forms and medication, along with solutions developed by the leaders in attendance.

In one instance, a parent sent medication with a Scout that was not listed on the Scout's medical form. Upon discovery, Dakota Paris consulted with the health lodge, which updated its records and confirmed it was appropriate to continue administering the medication.

A second incident occurred when a Scout did not take their maintenance inhaler despite verbally confirming that they had done so. The Scout subsequently experienced an asthma attack and was sent home by the health lodge.

Leaders in attendance at summer camp developed the following protocol to prevent recurrence:

- A list of medication will be compiled from the medical forms.

- All medication will have to be handed in by parents when dropping off Scouts for an event and checked against this list.
- Any medication being handed off that is not on the list will require the med forms to be updated.
- A designated ASM will be in charge of administering medicine and checking off when medicine is administered on a prepared sheet.

6.1.2 Vaping Incident

Jason Paris presented a summary of an incident that occurred at summer camp.

On the morning of July 3, 2026, a leader from another unit approached the Troop 413 leaders during breakfast and reported that a Scout, Annabelle, had been observed with a vaping device at the spider web activity area and had been offering it to younger Scouts.

Following breakfast, the leaders briefly conferred and determined that Annabelle and her buddy, Rose, would be sent home immediately. Dakota Paris and Jeff Dixon escorted both Scouts back to the campsite, at which time Dakota Paris confiscated the vaping device. Parents were contacted and both Scouts were transported home.

During lunch on July 3, 2026, Dakota Paris located the leader who had reported the incident and informed her that the Scouts had been sent home.

Dakota Paris noted that she was seeking input from the committee regarding the matter, not a formal committee decision on disciplinary action.

After discussion, the committee's recommendation was as follows:

- Annabelle and Rose would be removed from their leadership positions
- Annabelle and Rose would not be eligible to attend the August camping trip
- Annabelle would be suspended from troop meetings for a set period of time
- Rose would be suspended from troop meetings for a set period of time, shorter than Annabelle's

6.2 Court of Honor

Dakota Paris requested that the next Court of Honor be held on August 8, 2026 at 1:00 PM.

Action Item: Ben Schell to check with the church to confirm availability for the Court of Honor on August 8, 2026 at 1:00 PM.

Motion

To authorize up to \$300 for expenses related to the Court of Honor.

Made by: Duane Spainhour **Seconded:** Jason Paris

Result: Approved

6.3 Program Needs

Dakota Paris requested support from the committee in the following areas:

- Help with finances
- Quarterly advancement reports
- Budget planning

6.4 Popcorn

Jason Paris reported that he had signed up to be the Popcorn Kernel at council. The next step was to determine what the unit wanted to order for show and sale events and what quantity.

Due to time constraints, the decision was made that details on the available products would be placed in the committee chat. A decision to be made by July 22, 2026.

Action Item: Jason Paris to share available popcorn products and ordering details in the committee chat for decision by July 22, 2026.

6.5 Storage

Ben Schell reported on the unit's storage needs and the possibility of moving items in the Youth House.

Action Item: Ben Schell to ask about moving items in the Youth House to address the unit's storage needs.

6.6 Jason's Wood Badge Ticket

Jason Paris spoke about his Wood Badge Ticket. He explained that he had created a document outlining the adult leadership roles for Troop 413. The intent was to have a one-page document for each role that outlined the responsibilities, training requirements, expectations, time commitment, and key contacts of each role. This document could be used when recruiting adult volunteers and help everyone understand what duties and responsibilities correspond to each role.

Additionally, Jason showcased an onboarding checklist that he had created which contained onboarding tasks for the existing committee to complete as well as tasks the new leader needed to complete.

Jason passed out these one-page summaries to everyone in attendance who holds a role and the onboarding checklist. He reported that he would be sending out both documents to everyone via email. He asked everyone to review these documents and give feedback via email by Wednesday, July 29, 2026.

Action Item: Jason Paris to send the leadership role summaries and onboarding checklist to all committee members via email.

Action Item: All committee members to review the leadership role summaries and onboarding checklist and provide feedback to Jason Paris by July 29, 2026.

7 NEXT MEETING

August 5, 2026 @ 7:00 PM

8 ADJOURNMENT

There being no further business, the meeting was adjourned at 20:15.

Respectfully submitted,

Jason Paris, Secretary
